Letter no 428129 dated 26/9/29
from the Deputy Commr Hassan District
requesting sanction to the proposal of
the Arasikere mnd to levy octroi duty
on kerosene oil, Beedis & cigarettes
and powdered tobacco in the municipality
under file 55-21-229 sanctioning the octroi
byelaws framed by the Arasikere mnd is
put up

The Arasikere mnd have framed
byelaws for changing the rate of octroi
Rules have to be framed generally
for this purpose But in July 1924
the rates proposed by them on certain
articles were however approved

The rates now proposed and those
already sanctioned stand as noted below

Rates already Sanctd	Rates proposed
Beetel leaves 0-0-1	0-0-1
Tobacco per lb 1-0-0	1-6-0
Prepared tobacco 2-0-0	1-4-0
cloth per value 1000	0 1 6
Sheep & goat each 0-2-0	0 2-0
to slaughterhouse	per lb
kerosene oil 0-0-0	0-2-0
Beedis 1000 0-0-4	0-4-0
cigarettes 1000 0-0-0	0-2-0
Powdered tobacco per lb 0-0-0	

1) From the above it is seen that

2) the rate on cloth, sheep and goats is

proposed to be reduced

- 1) the exemption in the use of kerosene oil is proposed to be removed and a rate of annas two per hundred is proposed to be levied
- 2) the rate on beedies is proposed to be raised from 0-0-4 to annas two
- 3) the rate on cigarettes has been proposed to be levied at annas 4 per thousand
- 4) Powders tobacco has been newly included under dutiable articles

5) It is not the policy of Govt to charge octroi on stitched cloth and powders tobacco and the proposal in respect of the levy on such items was perhaps belated and the proposal in other respects are alright and was perhaps be approved

6) The schedule as approved ~~already~~ ~~was~~ perhaps be directed to be treated as a rule framed under sec 46(1) of the act

Submitted for orders

- 7) The proper procedure was to give a notification as in Schedule IV and to incorporate the alteration in the Schedule to the rules of the act under section 46. The draft may be added to some Res under rules in the Ministry of Finance suggested above re powdered tobacco & stitched cloth

14 The proposal to levy octroi on
petrol sh^d be vetoed. This is not
an article of much consumption in
the town & the tax will only be
paid by people who buy it in the town
use it elsewhere. Petrol is also
taxed for ^{other} imperial purposes & other
taxation on it is not justifiable.

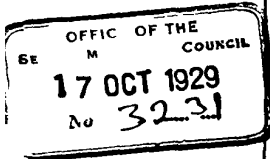

15 I find that an octroi on
petrol is levied in Hassan Town.
Steps sh^d be taken to have it
abolished as early as possible.

16 The other proposals may
be approved -

28/11/29

Put up draft in accordance
with the above views &
also work up the question
of abolition of octroi on petrol
in the Hassan Town -

Sir,

Referring to Government Order No L 3430-1/ 125-29-25
dated the 11th November 1929 providing of the abolition of
of the Arakere Municipal Council. I have the honour to state
that the Municipal Council have passed a resolution at their
meeting on the 30th November 1929 requesting for reconsideration
of the orders of Government declining to sanction the levy of
octroi on petrol as proposed by the Arakere Municipal President's
report No 68-29 dated the 12th December 1929 along with a copy
of the said resolution of the Municipal Council and its enclo-
sures is forwarded herewith for information and favour of orders
of Government.

2 Arakere is an important commercial town with consider-
ably heavy motor traffic and a large consumption of petrol and the
Municipal Council will be deprived of a good income if petrol is ex-
empted from octroi duty here. In view of the fact that the Govt
the Government have been pleased to allow exemption of agricul-
tural duties to levy octroi on it is compulsory. I request that
the Government may be pleased to reconsider their order in
accordance with the duty on petrol and in accordance with
the duties.

2016 & 2018

With reference to your letter No L 4313-19 M1 23-29-187 dated 18th November 1930 requesting to quote the number and date of Government order sanctioning the levy of Octroi duty on Petrol in the Municipalities of Hunsur and French-Rocks, I have the honour to state that the levy was authorised as per G O No L 539 M1 85-25-29 dated 23-7-1926 in the case of French-Rocks Municipality. It is reported that Octroi duty is not being actually levied since the petrol has not been passing through the Municipal jurisdiction. The President of the Hunsur Municipality reports that Government declines to grant permission for the levy in their order No G O L 8394-M1 23-29-143 dated 19-5-1930 and that the levy is therefore since discontinued.

The reports received from the Presidents are herein enclosed in original for favour of perusal.
